

December 13th, 2017 – St. Louis, MO

O6 Environmental Services is pleased to announce the addition of our new Business Development Manager in the Midwest, Ryan Guirl. Ryan brings 15 years of environmental experience to O6 with specifications in:

- Water Treatment
- Management and Logistics
- Liquid Storage
- Industrial Cleaning
- Remediation
- Logistics Management
- Waste Disposal Solutions
- Emergency Response

Ryan will be based out of St. Louis, MO and is excited to bring his expertise and knowledge to the O6 Team. Ryan is available 24/7 and can be reached at (314) 366-1195 or ryan.guirl@o6env.com. We are very pleased to have Ryan on board and look forward to the many possibilities to come.

- Dan Giesler, President
